

CHOIR AUDITION CONSENT FORM

All choirs meet during the school day as a class period. There are some extra rehearsals outside of class. If you did not sign up for Choir it is not a problem as we can add it to your schedule after auditions. Most incoming new students should expect to go into Chamber Choir, an awesome fast paced, fun and challenging class! By auditioning we are better able to choose music and plan the curriculum for the fall, and you will get to know members of your new choir family:)
