

MVHS Choir Department - Financial Assistance Request Form

Student Name: _____

We have a modest pool of money to offer annually as scholarship. Each year we find out student need, and then make the effort to find funds to help support so no child is denied participation.

The choral department can be divided into two parts:

1. Onsite Program (including choir camp)
2. Choir Tour.

We must make sure that all students are able to participate fully in the Onsite Program first, and financial assistance is awarded with that priority in mind. We also make every effort to assist with the Choir Tour.

Please fill out the following chart as it applies for your family:

The total cost for choir and tour This Year is: _____

(Fair Share, Choir Camp, Costume, Choir T-Shirt, and Tour.)

Please see the Choir Handbook for a more detailed breakdown

Total you plan to earn in fund-raising: _____

(Please see Fundraising Sheet in Handbook to help you estimate)

Total you plan to pay in cash/checks: _____

Total you are requesting in scholarship: _____

Please give a description as to why your family is requesting financial assistance.

NOTE: Students who receive financial assistance are required to participate in fundraisers since we offer so many different opportunities. Students (and their families) are also required to work scholarship service hours to earn the credit allocated.
